Dear Friend:

I am writing to remind you of our conversation in which you agreed to take care of the EAGLES from July 24th to August 3rd, also Sept. 3rd to Sept. 8th and possibly after the 9th.

I would appreciate very much having a schedule from you as soon as possible. I am sure you can understand my desire to know just where you plan to place us and with whom.

We are due to be in Pittsburgh Sept. 2nd and Detroit Sept. 9th. Please let me hear from you as soon as possible.

Very truly yours,

KFFA MANLEY  
Business Manager
